This program will cover both current HIPAA Privacy, Security, and Breach Rules, with an emphasis on patient access rights, and emerging issues in cyber security, devices and technology issues, social media considerations, and the growing risks for HIPAA covered entities and business associates resulting from significantly increased enforcement activities by the Office for Civil Rights. The program information includes strategies for maintaining continuous compliance, a discussion of necessary policies and procedures, and practical tips and solutions to address real-life situations.

**Target Audience:** The program is designed for compliance professionals, privacy and security officers, chief information officers, risk managers, in-house counsel, and others with responsibilities for HIPAA compliance. The session will provide a working knowledge of HIPAA requirements to those new to this area, as well as being a refresher for those currently involved.

**At the conclusion of this program, participants will be able to:**

- Describe breach rule requirements and clarifications.
- Discuss business associate and subcontractor obligations.
- Describe regulator emphasis on security risk assessments and security planning.

**Registration and Breakfast:**
8:30 a.m. - 9:00 a.m.

**Program:**
9:00 a.m. - 2:30 p.m.

**Program Presenter:**
The program presenter is Jennifer Cox, a founding member of Cox & Osowiecki, LLC, a Hartford law firm representing all levels of healthcare institutions and providers in regulatory, litigation, licensing, and business matters.
• Describe the types, and scope of policies needed to maintain compliance.
• Explain the requirements (and fee restrictions) for providing access to records.
