YOU'RE INVITED!

BRACELET INITIATIVE KICKOFF

Representatives from Connecticut hospitals, community-based healthcare providers, and emergency medical services are encouraged to attend this important event featuring educational presentations on the statewide rollout of the *Bracelet Initiative*. Attendees will learn how the project enhances clinical awareness of potential postpartum complications and conditions.

A base inventory of orange bracelets and printed patient and provider resources will also be distributed to participating hospitals.

Breakfast and lunch will be served. | Contact EducationServices@chime.org with questions.
