

HIPAA PRIVACY, SECURITY & BREACH RULES:

[Register here](#)

KEEPING CURRENT TO REMAIN COMPLIANT

Wednesday, October 21, 2026

Registration: 8:30 a.m.-9:00 a.m.
Program: 9:00 a.m.-3:00 p.m.

On-site

**\$150 for each registrant from a
CHA member institution**

**\$200 for each registrant from a
non-CHA member institution**

This on-site program will provide a comprehensive review of the HIPAA Privacy Rule and HIPAA Breach Rule requirements for healthcare providers. The session will focus on key trends in regulatory enforcement of protected health data and what is on the immediate horizon. There will also be an overview of the proposed HIPAA Security Rule overhaul with a comparison to current cyber security obligations, including a discussion of the impact and challenges created by Health and Human Services (HHS) delaying in the implementation of the new Security Rule until 2027 or later. The program will also address the importance of prioritizing HIPAA security planning in the face of increasing cyberthreats disproportionately affecting healthcare.

Topics of special interest that will be reviewed:

- Patient, provider, and government access rights
- Emerging state law data protections
- Data tracking and implications of “big data” and artificial intelligence
- Sensitive data challenges

Target Audience: The program is designed for compliance professionals, privacy and security officers, risk managers, in-house counsel, health information/data management and health informatics professionals, and others with responsibilities for HIPAA compliance. The session will provide a working knowledge of HIPAA requirements to those new to this area, as well as drilling down into focused compliance challenges for those currently involved.

JENNIFER COX, JD

The program presenter is **Jennifer Cox, JD**, a frequent and popular presenter at CHA, and a founding member of Cox & Osowiecki, LLC, a law firm representing all levels of healthcare institutions and providers in regulatory matters, privacy and security issues, and business advice.

**For additional information, contact
CHA Education Services at 203-294-7263
or EducationServices@chime.org.**

At the conclusion of this program, participants will be able to:

- Distinguish proposed HIPAA Privacy Rule changes from current obligations
- Identify release and access policies that need review and possible revision
- Describe enhanced patient, provider, and payer access rights
- Detect possible gaps in breach policies, planning, and workforce training
- Explain HIPAA rules relative to government access to PHI

Continuing Education:

This program has been approved for a total of **5.0 contact hours of continuing education credit** toward fulfillment of the requirements of ASHRM designations of Fellow (FASHRM) and Distinguished Fellow (DFASHRM) and towards Certified Professional in Healthcare Risk Management (CPHRM) renewal.

The Compliance Certification Board (CCB)[®] is pending approval for this event. Continuing Education Units are awarded based on individual attendance records. Granting of prior approval in no way constitutes endorsement by CCB of this event content or of the event sponsor.

This program meets AAPC guidelines for **5.0 CEUs**, which can be split between Core A, CPCO and CPMA for continuing education units.

This program has been approved for **5.0 continuing education unit(s) (CEUs)** for use in fulfilling the continuing education requirements of the American Health Information Management Association (AHIMA). Granting of Approved CEUs from AHIMA does not constitute endorsement of the program content or its program provider.

For additional information, contact CHA Education Services at 203-294-7263 or EducationServices@chime.org.

*This program is administered through
CHA's education affiliate.*
