Prepare now to keep your HUSKY D Health coverage in 2027 📅 ➡️ New federal Medicaid rules — which go into effect this January — mean some HUSKY D members may ❶ need to report work, school, volunteer, or other activities, and ❷ renew coverage every six months. Learn more about the changes: [ct.gov/hr1help](https://portal.ct.gov/hr1help)

Here are steps HUSKY D members can take NOW to stay in the loop 📌

- ☒ Learn how to update your contact info at [Portal.ct.gov/UpdateUsDSS](https://portal.ct.gov/UpdateUsDSS) or accesshealthct.com/report-changes/ or call Access Health CT at 1-855-805-4325
- ☒ Add DSS to your saved contacts (short codes 60302 and 648731 for texts and 1-855-626-6632)
- ☒ Look out for HUSKY Health/DSS mail or texts
- ☒ Use DSS's prescreener tool to see if the new rules might apply to you:

NOT EVERYONE IS AFFECTED. HELP IS AVAILABLE. Visit cafca.org/agencies or call 2-1-1 to find your local community action agency for more information and resources. The Department of Social Services (DSS) will be sending more information later this year.
